Complete Hygiene Solutions

Triple Crown

We work closely with our manufacturer partners to provide a cost effective choice of paper to suit all budgets and requirements from the humble toilet roll to lint free specialist wipers for the print and high-tech motorsport industry.

Hand wiping towels are available in a range of qualities, colours and dispensing styles to suit the different dispensers and market requirements. From high class hotels to factory floor we can provide a suitable solution for your hand wiping requirements.

Toilet rolls are available in a wide variety of styles ranging from domestic rolls to jumbo systems, refillable rolls and bulk pack styles to suit every size of washroom from high through-put such as a sports stadium to the small office environment. We can assess and suggest a suitable system for you.

General wiping products consist of centre feed wipers for food preparation and high output environments.
